

BLACK & GOLD AWARD APPLICATION

The Black & Gold Award was created to encourage each chapter to develop projects and programs considered creative and which serve as examples for all other local chapters to follow.

The award will be presented to any chapter for individual achievements or events considered exceptional and possible only through extensive planning, organization and participation by a significant number of the chapter's members.

The Grand Chapter may confer this award to any local chapter provided that consideration is restricted to single events only. Determination will be based on the information submitted on the Black and Gold Award application form with emphasis on any accompanying supporting data. There shall be no limit on the number of Black & Gold Awards granted by the Grand Chapter in any single year or to any individual chapter.

Applications for the Black & Gold Award may be submitted at any time during the program year. All applications must be submitted no later than June 1 via email to Grace.Grant@gammaiota.org to be considered for the current program year. In the event that a chapter wins the award, the Grand Chapter will present it at the Annual International Conference.
