

SUSTAINING PARTNERS PROGRAM BENEFITS

Have A Sustaining Impact on the Next Generation of Insurance Professionals

With your support, GIS will be able to increase the number of strategic initiatives designed to promote the educational and professional development of college students pursuing careers in the insurance industry. Sustaining Partners have the unique opportunity to not only contribute financially to the success of the organization and its students, but also take an active role in its direction and the long-term impact on the industry, providing the tools and resources for exceptional talent.
